Native American Beaded Corn

Grab your beads and have fun with this Beaded Indian Corn. Make two or three of them and add a jewelry pin, perhaps give to friends. No two need to be alike be creative.

Supplies:

- 30 Pony Beads in Assorted Colors of Yellow, Ivory, Orange and Black
- 1 Yard of Natural Raffia (or if you do not have Raffia, you can use heavy twine).

Directions:

1. Cut raffia in two 18" pieces. Slide both pieces through one pony bead. Separate strands.
2. String seven pony beads on each of the four strands.
3. Slide one pony bead through the four strands to pull them together.
4. Tie into a bow. Trim. If you want to make it into a pin, glue a jewelry pin to the back with a glue gun and let dry.
